Thanks Sarah. I'll check-in with you again by Sep 30 to ask if the site visit date and access issues have been resolved.

Best regards,

John

John,

Thank you for providing us with those dates. I have passed them on to Randy and will let you know his thoughts. We continue to make progress with BIA, although I can't say that the issues are fully resolved. We have also made contact with the owner of Section 19 and are working with them on consent for access to that parcel.

Hi Sarah. I just received word from BNSF on preferred dates for a site visit: Oct 21-22 or Nov 17-18. Please let me know if either of these will work for Randy, and whether access issues with BIA have been resolved.

Thanks Sarah. Talk with you soon.

John
